

### Product Category

					
	ER14250MR-150	ER26102SS-150	ER331270HR-150	ER321250MR-150	ER21102MR-150

### Key Feature

- ◆ High and stable operating, Large current discharge performance is excellent, maximum continuous work load can be up to ten  $\Omega$
- ◆ Wide operating temperature range **-40°C to +180°C**
- ◆ Excellent safety , Not explosion in high temperature and high vibration environment
- ◆ Low self-discharge rate , Support the use of high temperature environment for long time

### Main Applications

- ◆ MWD     ◆ Geological Marine exploration     ◆ Aerospace and military defense applications
- ◆ Shipbuilding Industry     ◆ The temperature sensor and high temperature detector
